

## SPAY & NEUTER RESOURCES

### in and around Cheatham County - including feral cats

Cheatham County Animal Control is not able to take in feral cats. Please consider using the services below to help the feral/community cats of our county, and check our social media for sponsored TNR days. Clinics (especially lower-cost ones) are booked out months in advance, and longer for females. ***Please ensure your unfixed animal is contained away from other unfixed animals until surgery.***
